New York City

Dear Sir:

Our Custodian handed me your card the other day and stated that you were interested in Russian coins. I am wondering whether you would care to look at a very interesting collection of officers regimental emblems which were worn on their coats. These are here at our Museum. There are about 200 of these which were picked up in Constantinople by refugees. They are all silver, and many of them are enamelled.

Very truly yours,

Curator
